

ZERO PROJECT CALL FOR NOMINATIONS ON
INDEPENDENT LIVING & POLITICAL PARTICIPATION, AND ICT

#ZeroCall23 Info Sheet

#ZeroCall23 calls on inclusive, innovative, and scalable solutions from around the world to submit their nominations, which will be evaluated in a multi-step process that includes peer-review and voting. A select number of solutions will receive a Zero Project Award and support through the Zero Project Network of 6,000 members from over 100 countries.

WHY NOMINATE YOUR SOLUTION?

Among hundreds of nominations, a panel of experts and peer-reviewers will evaluate, scrutinize, provide feedback, and select outstanding practices and policies – the Zero Project Awardees. In addition to international recognition, the renowned Zero Project Award provides numerous benefits to its Awardees, such as:

- Each Awardee will be invited to present at the annual Zero Project Conference at the United Nations (UN) Offices in Vienna (AT).
- Awardees receive access to the Zero Project Network, which includes leading organizations, such as the UN, governments, the business sector, international funding agencies, foundations or globally active non-government organizations.
- Moreover, additional opportunities present themselves for Awardees that intend to scale internationally, or to replicate their solutions.
