

SHOWROOM

Presenting information materials during the Zero Project Conference, 2016

During the conference there will be the opportunity to showcase your organization to the conference participants. The showroom is placed in the Plenary Room. To be presented the best possible way, we advise to look after your brochures regularly during the conference breaks.

There will be space for two different brochures for your organization. And there will be some walls to hang your poster.

Due to great interest, we advise to arrive at least 1 hour before the conference on February 10th or 11th.

Please also prepare a sign (Format: A4) mentioning your organization and country.

LEAFLETS/BROCHURES

You have the chance to present brochures and leaflets. We advise not to bring more than two different leaflets of a max. amount of 50 pieces each.

POSTER

There are some movable walls available to present posters. Due to the limited number of walls, we can only offer to hang 1 poster.

Size of poster max:

- Portrait: Din A0 (841 x 1189mm)
- Landscape: Din A1 (594 x 841mm)

CONTACT

SENDING ITEMS

We generally recommend to bring the brochures to the conference directly yourself. If this is not possible, you can also send items.

Please make sure they arrive no later than **February 3rd 2016** at:

Zero Project
