

Thank you for your interest in applying for the Zero Project Impact Transfer program. This short application form will help the selection team choose 10 projects from the Zero Project nominations to be part of this year's Impact Transfer program. Please answer the questions as fully as you can to help us with this process.

Before you apply, please read our briefing document and make sure you can demonstrate how you meet the following criteria:

- *You have sufficient track record and evidence that your innovation works and can be replicated (inter)nationally;*
- *Replication is a strategic priority for your organization, with buy-in at a senior level of the organisation, and some resources are already available for replication;*
- *At least one senior person (with decision-making power) from your organization can commit approximately 1 day a week to the programme for webinars, assignments etc. from Oct 2020 to March 2021;*
- *You are open to learn, share and be challenged, and have a proactive attitude;*
- *You are able to participate in webinars and assignments in English.*

Please note you can save your progress and return to the survey at any time, as long as you use the same computer and browser to complete the survey. Also be aware that question numbers may appear out of order as certain questions depend on your previous answers.

If you have any queries about the program, or have any trouble accessing this survey, please contact Paula Reid at p.reid@zeroproject.org. An accessible Word version is available on request.

Name

Flávio Gonzalez

Email address (please note that by entering your email address, you are giving the selection team permission to contact you regarding your application)

flavio.gonzalez@ijc.org.br

Name of your organisation

Instituto Jô Clemente

Name of your project nominated for the Zero Project Awards

. What is your motivation for applying to join the Zero Project Impact Transfer program? (max 3000 characters)

The Professional Inclusion Program of People with intellectual disabilities, based on 3 social technologies that are: Supported Employment, Job Club, Community-Based Rehabilitation has been showing good results and knowledge and is our wish to growth the social impact tha bacame even more important in that pandemic times, which raised the unemployment worldwide.

. What is your experience of replicating or transferring your innovation?

- We have already replicated our innovation
- We have not replicated our innovation yet, but it is a strategic priority and we have a clear idea about what to replicate, where and with which partners
- Replication is a new topic for us, but it is the right time to start working on it

. Please provide us more information on your replication strategy and experience so far (Where did you replicate this innovation? How did you replicate ? Which partners did you work with to replicate this innovation? How did you finance the replication? Results so far? Lessons learned?)

This question was not displayed to the respondent.

. Please explain your initial ideas on replicating your innovation (what you wish to replicate, in which geographies, which type of partners will you need, or any other relevant information). If you do not know yet, please write 'Don't know'

We want to replicate this model of job creation for people with disabilities for all regions of Brazil, especially the most poor, having as partners social organizations that already exist in the communities

. Please describe the main questions or challenges you hope to address by participating in the Impact Transfer program.

Our main challenges are: to combat the prejudice, discrimination and the professional inclusion of people with disabilities in a social context with many injustice leak of opportunities

. Is replication a strategic priority for your organisation, supported by staff, your board and external stakeholders?

- Yes
- No
- I don't know

. Please explain how replication fits into your strategy and long-term goals, and how replication is supported by your Board and leadership team. If you are not sure, please write 'Not sure yet'

Our organisation has been working for 59 years in the biggest city in Brazil, that is Sao Paolo, and has as the main strategy for the next years bring its knowlege to another regions of the country and maybe, to another countries of latin america. This goal is shared with the board and leadership team.

. Have you standardized your model and operations in a way that allows partners to easily replicate it (guidelines, operations manuals, trainings,...)?

- Yes
- To some extent, but we still have more work to do
- Not yet

. Are specific human or financial resources already available for replication? Please explain.

Our organisation has a strong financial and human extructure but in order to make this expansion possible, we need other partiners and financial founding. The partnership with Zero Project will bring us even more credibility to achieve it

. Is there a clear project owner in your team who has the capacity, skillset, and decision-making power to participate fully in our program (approx. 1 day per week between October 2020 and March 2021) and support the replication of your innovation?

- Yes, we have a project owner for this program, with the necessary skills and seniority
- Not yet, but we have enough capacity and can easily assign a project owner for this program
- No, we do not have enough internal capacity for this program at the moment

Please provide more information on the profile of the person who will serve as project owner for the Impact Transfer program (background, experience, ...). You can also add a link to the person's profile (on LinkedIn or on your website), if you wish.

We are interested to understand your impact model (also called Theory of Change): who are your main target groups, which key activities do you offer to these target groups, what impact (change) do you want to achieve for your target groups, and how do you measure this impact (if you do).

Please fill in the table below focusing on your main target groups, activities, expected impact and indicators.

	Insert your TARGET GROUP (one target group per box, maximum 3)	Insert your key ACTIVITY for this target group	Insert the main IMPACT (CHANGE) that your activity is supposed to achieve for this target group	Insert the main INDICATOR you use to measure your impact (if available)
1	People with disabilities	Professional inclusion	Job creation and incoming	Total number of included people
2				
3				

Does your current funding model allow you to take repayable investment i.e. not grants, but equity or loans that you will have to pay back?

- Yes, and we have already received a repayable investment
- Yes, and this is something we want to explore
- No

As part of the selection process for the Impact Transfer programme, we will be putting together a short video on each shortlisted project for our selection panel. We would be grateful if you could send us:

- Any video material you currently have about the project (via YouTube, DropBox etc.) that you did not already submit as part of your Zero Project application.

- A short video (maximum 20 seconds), explaining why you wish to join the Impact Transfer programme. This video can simply be filmed on a mobile phone.

If you have weblinks to these videos, please include them below. Otherwise you can send them to p.reid@zeroproject.org.

Will be send by e-mail

. If you have any other supporting documents (such as your organization structure, impact evaluations, or strategic plans) that you have not already included in your original Zero Project application, please include the web links below. Alternatively, you can email documents to p.reid@zeroproject.org, including your name and project title.

The selection panel will handle any documents you send us confidentially.

Will be send by e-mail

There are no further questions in the survey. Please use the 'Next' button below to submit your application.

By submitting your application you are giving the Zero Project Impact Transfer team permission to share your responses with members of our selection panel.
